Special Open Door Forum: Quality Care Finder

Providing an overview of the Quality Care Finder online resource

Wednesday, July 20, 2011

2pm-3pm ET

Audio Only Web-Based

This Special Open Door Forum (ODF) focus will be to introduce the newest of the CMS Medicare.gov resources: the Quality Care Finder. Participants will be given a brief overview of the CMS quality commitment followed by a guided tour of the Quality Care Finder landing page and the many tools that are accessible through this online resource. Participants will also learn how CMS is working with partners to get the word out about this important new resource.

We look forward to your participation.
